

UNIVERSITY OF CENTRAL FLORIDA

New Supplier Registration

Thank you for your interest in doing business with the University of Central Florida!

As of March 2026, UCF is using Workday Strategic Sourcing as the system for facilitating supplier onboarding. This guide will give you step-by-step instructions on how to complete the registration process.

Please note, this guide is intended for new suppliers who have never done business with UCF prior to March 2026. All other suppliers should follow the steps outlined [on our website](#) to request changes.

MARCH 2026

Before Your Begin

1. Gather Required Materials

a. Completed and signed forms:

- [IRS W-9 Form](#), [IRS W8-BEN](#), or [IRS W8-BENE](#) based on your organization's tax status
- [Florida Statute 787.06\(13\) Human Trafficking Attestation](#)
- [Florida Statute 288.860 Attestation Agreements with Foreign Principles](#)

b. Banking Information, if you plan to sign up for direct deposit

c. Primary contact information (name, email) for your organization

d. Please note that other documentation may be required as part of the onboarding process and you will be notified of the requirements during that section.

2. Identify authenticator to register and sign into your supplier account within Workday Strategic Sourcing

a. Frequently used authenticators include:

- Authy 
- Duo Mobile 
- Google Authenticator 
- Last Pass Authenticator 
- Microsoft Authenticator 
- Entrust 

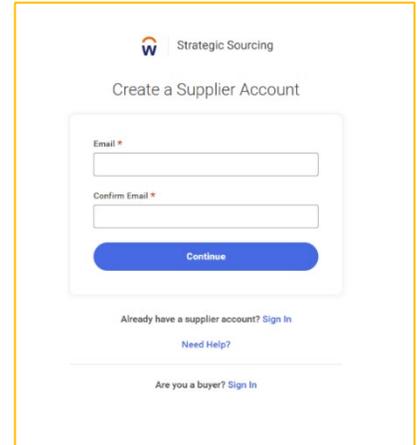

b. Web Browser Option: Authenticator is a free web browser extension authenticator

3. Allow all emails from no-reply_strategicsourcing@workday.com

Step 1: Create a Supplier Account

To start, please visit our self-registration [Supplier Portal](#)

Enter and confirm your email address. This will become a contact email on the supplier record. If there are several contacts within your organization, they will need to follow Step 1 to access your organization's information in the future.

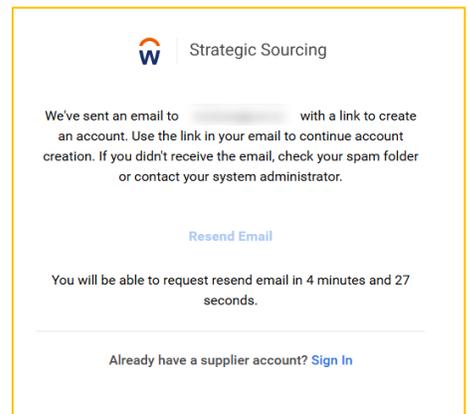

The screenshot shows the 'Create a Supplier Account' page for Strategic Sourcing. It features a form with two input fields: 'Email *' and 'Confirm Email *'. Below the fields is a blue 'Continue' button. At the bottom of the page, there are three links: 'Already have a supplier account? Sign In', 'Need Help?', and 'Are you a buyer? Sign In'.

An email is sent to this address with a link to continue the registration process.

When you receive the email, click the **Create Account** button in the email. If you don't receive the email, make sure to check your junk/spam folder. In 5 minutes, you will be able to re-send the email a second time.

Allow all emails from no-reply_strategicsourcing@workday.com.

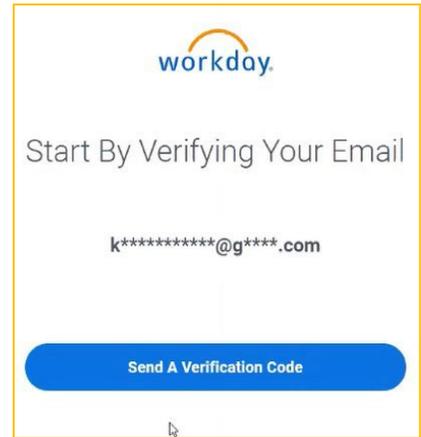

The screenshot shows an email confirmation page for Strategic Sourcing. It states: 'We've sent an email to [redacted] with a link to create an account. Use the link in your email to continue account creation. If you didn't receive the email, check your spam folder or contact your system administrator.' Below this is a 'Resend Email' link. A message indicates: 'You will be able to request resend email in 4 minutes and 27 seconds.' At the bottom, there is a link: 'Already have a supplier account? Sign In'.

After clicking the link in the email, you will be brought back to Strategic Sourcing and will be redirected to Workday Central login.

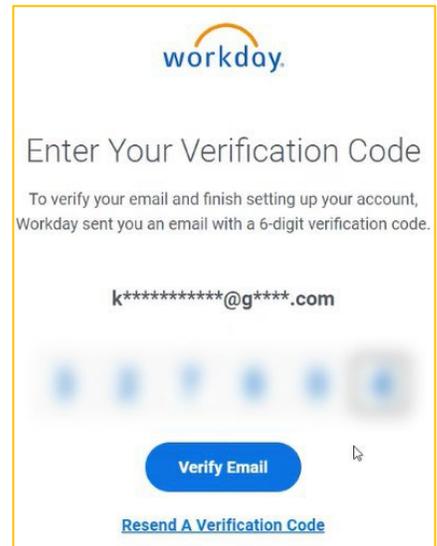

The screenshot shows a 'Redirecting to Registration' page for Workday Strategic Sourcing. It contains the text: 'You are being redirected to register using Workday Central Login. After registration, bookmark the Supplier Portal for all supplier tasks.' Below this, it says 'You will be redirected in 5' and features a 'Redirect Now' button.

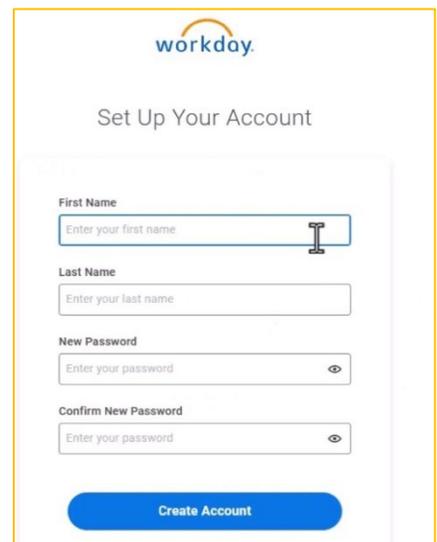

On the screen that appears, click **'Send A Verification Code.'** This will send a 6-digit code to the email you provided.

Enter the verification code and click **'Verify Email.'** If you did not receive the email, check your junk/spam folders. You can also click Resend A Verification Code to send it again.

Enter your name and create a password for your account, then click **'Create Account.'** Password requirements will be listed as you enter the password.

Connect your authenticator app by scanning the QR code or manually entering the Account and Secret key provided at the bottom of the screen.

Provide the code within your authenticator app and then click **'Connect Authenticator App.'**

Step 1: Scan this QR code with your authenticator app
Once your authenticator app reads the QR code, you'll get a 6-digit code.

Can't scan? Manually enter: ⓘ

Step 2: Complete the Supplier Registration (Part 1)

There are two portions to this registration step:

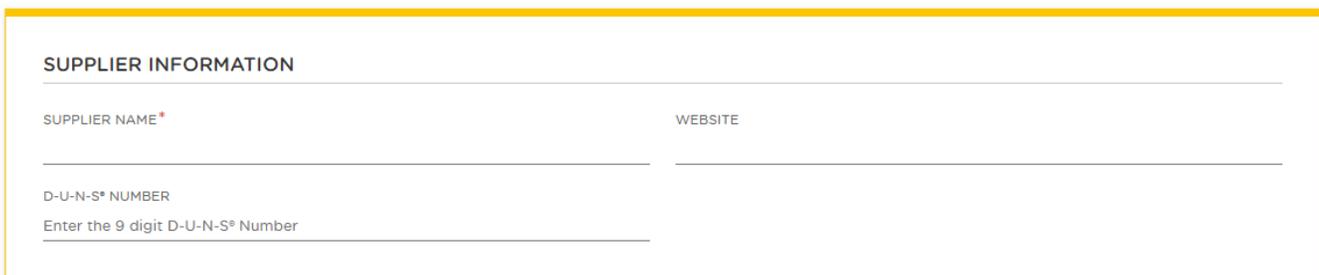

1. Completion of Supplier Registration (below)
2. Completion of Additional Supplier Information which will be sent after the first portion has been submitted and reviewed. This portion could take up to four (4) days to receive.

Note: you can save this step as a draft if you need to obtain additional details.

Supplier Information

- Supplier Name will autofill based on what you shared in the prior step. You can edit it here as it should reflect how it is stated on the W-9
- Website is optional
- D-U-N-S Number is optional

Commodity Codes

Optional, although strongly encouraged.

- The codes selected should represent the goods and/or services you provide.
- This may be used to notify you of potential procurement opportunities that match the commodity codes you select.
- Click **ADD COMMODITY CODES** then select the boxes next to the codes you would like to add and click **ADD CODES**. You can scroll through the list or use the search box.
