

# How can I stay connected to Workday?

## 1 kNEXT Website

This resource provides training and functional areas resources to better assist the UCF community. Be sure to check for recent posts on the latest news and system updates at <https://knext.ucf.edu>.

## 2 Workday Announcements

Look for system-related notifications on your Workday homepage located under your “My Top Apps” section.

## 3 Workday Email Notifications

Be on the lookout for important news and announcements about Workday-related information to your UCF email. These messages will be delivered from [ucf@workday.com](mailto:ucf@workday.com). Please do not reply to these messages.

## 4 Workday Help

We continue to update our Workday job aids, video demos and business process documentation in our Workday Help Knowledge Base. Visit the [Help](#) app to view articles by categories or by using the Workday search bar. Learn more about our Workday Help Knowledge Base categories by visiting our [Workday Training Matrix](#).
